Our mission is to develop and produce quality quilting and sewing notions that allow any quilter or sewist to practice their art form with ease. We listen to your wants, desires, and suggestions to improve current products or develop new products that meet your needs.

Quilter's Rule® started in 1983 producing the quilting industry's first "fabric gripping" ruler. The Quilter's Rule® signature ruler was designed to be used for strip cutting with a rotary cutter. Quilter's Rule® has since designed many rulers and templates with Fabric Gripping Action® technology and EZ2C® Lines.

We're more than just rulers!

Quilter's Rule® manufactures a variety of products including:

- *MegaMat® pinnable gridded mats.*
- *Large assortment of Machine Quilting Templates for use by short-arm, mid-arm, long-arm, and large-throated sit-down machines as well as home machines, both high and low shank.*
- *Templates and accessories to be used by home machine owners to complete their quilts themselves.*
- *The Wonder Cut ruler and a host of other specialty rulers.*

Patricia E. Simons, Director

MegaMat®

MegaMat® is made with one polymer, are less prone to warping, and can be rolled to transport or ship.

Pinnable Cutting Mats

This top of the line cutting mat is made of a special dense flexible plastic. The slip resistant translucent material is resilient, durable, resists warping, and withstands the repetitive use of a rotary cutter and/or art knife (mat knives are not recommended). Roll for travel or temporary storage, but for longer life, flat storage is best. The mats are marked with a 1" grid, ¼" hash marks, 45° angles, as well as inch ruler on all sides. Use with cloth, leather, film, vinyl, and paper. Use pins or tacks to lightly tack material to the mat.

Follow the simple instructions below to maximize the life of the pinnable MegaMat®:

- *Always use a sharp blade. When pressed too hard with a dull blade, the mat will be damaged.*
- *Never push harder with a sharp rotary cutter than is necessary to cut the fabric.*
- *Cutting repeatedly on the same line will erode the mat on that line and cause it to bubble or warp. Move the cuts around.*
- *Keep the mat clean. Wash it occasionally with warm soapy water.*
- *The lines are silk screened with ink cured under UV light. If the lines flake off due to the tiny cuts, refresh them with a sharpie pen and a ruler.*
- *While the MegaMat® may ship rolled, it is best to store the mat flat.*
- *Do not expose the mat to direct sunlight for long periods or excessive heat sources.*

Sizes to Fit Most Work Areas:

The larger sizes create a seamless surface that covers your total work area at an attractive price. MegaMat® Pro is the Godzilla of mats. This seamless surface covers a whopping 60" x 120" (5' x 10'). The 48" x 96" (4' x 8') mat is available in an extra thick version and able to withstand a high level of use with art knives.

MegaMat® - Pinnable Cutting Mats

Item Number	Mat Size	Grid Size	List
SF5X7T	5" x 7"	3" x 5"	$7.00

* Fits Koala Craft
** Fits Koala Craft Pro
*** Fits Koala Treasure Chest

Mats ship at actual cost. If you would like a shipping estimate, please call or email Quilter's Rule.

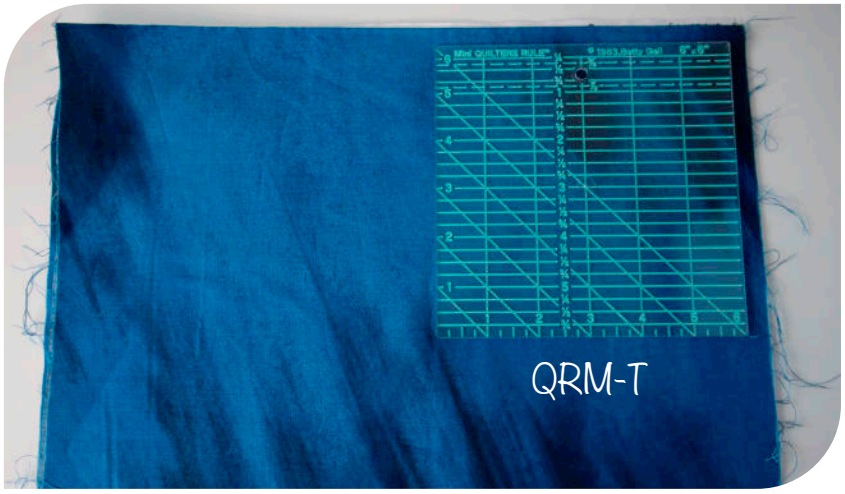

Fabric Gripping Rulers

Original Quilter's Rule® Rulers with Fabric Gripping Action®

The original Quilter's Rule® Ruler (QR-1) was designed in 1983. Today you can get this uniquely made ruler in all shapes and sizes. These plastic injection molded rulers have clean, crisp, accurate lines. The molded lines keep fabric from slipping when measuring and allow for fast, accurate rotary cutting without slipping! These rulers are available with original black lines or contrasting teal lines. The contrasting teal really pops on dark fabric.

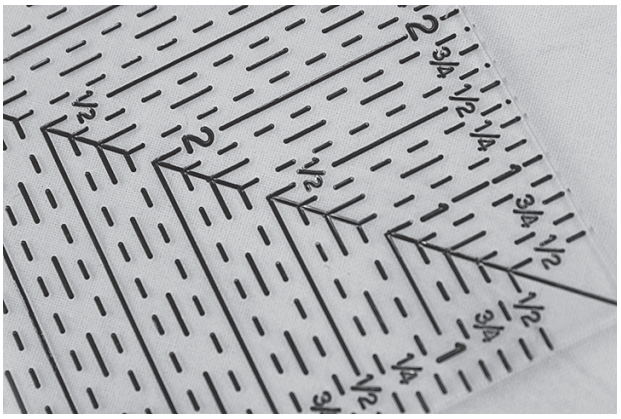

QR-1 **QR-1-T** Quilter's Rule® Ruler ½" and ¼" markings 45° and 60° lines 6 ½" x 24"	Black Teal	**$27.80** THE ORIGINAL

MACHINE QUILTING TEMPLATES WITH FABRIC GRIPPING ACTION® AND EZ2C® LINES

Add a unique finish, artistic flair, or a touch of whimsy to your quilts and craft projects with Quilter's Rule® templates. Create a variety of designs with precision and ease. Express yourself with stars, spirals, diamonds, circles, feathers, hearts, and even spider webs. Quilter's Rule® offers a wide variety. The templates are manufactured in heavy-duty, clear acrylic to meet and enhance the needs of quilters to lay down accurate and repeatable lines, fills, and borders.

Machine Quilting Straight Line Tools

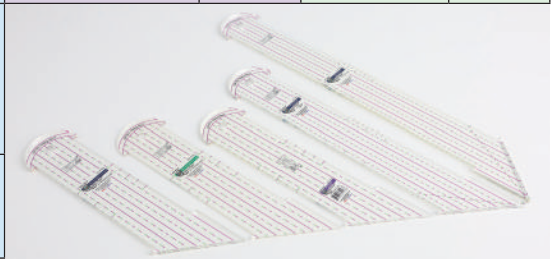

¼" (6mm) acrylic **Longarm & High Shank**

3⁄16" (4mm) acrylic **Some High Shank & Some Low Shank**

⅛" (3mm) acrylic **Very Low Shank/Cutting**

Straight Line Tools can be used to "Stitch in the Ditch." Each edge is indented by a ¼" to aid in proper placement on quilts. One end is rounded and can be used to create arcs and scallops. The opposite end contains a 45° angle.

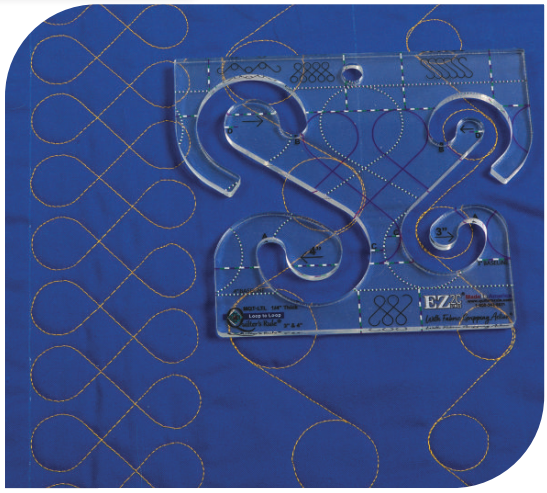

Mini Straight Line Tool 6 ½" x 2 ½"	MQT-MSLT	$24.00	HMQT-MSLT	$17.00	QR-MSLT	$20.00

Designed by Ronda K. Beyer

These rulers make curved crosshatching a breeze with NO marking. The ¼" and ½" lines help to keep the crosshatching uniform. The Curved Crescent Moon can handle those larger areas and border designs. There are three sizes of the Double "S" Rulers and two sizes of the Crescent Moon. Both large sizes are ordered via special request. Please contact customer service.

Add-a-Table

Our Add-a-Table provides an extended flat support surface for Home /Domestic Machine Quilting projects. This is a perfect stable surface to use with templates or rulers while machine quilting.

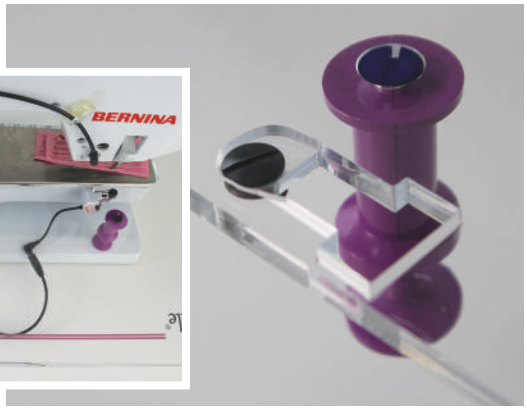

- *Add-a-Table is now available in two sizes. 18" x 30" fits Bernina's model B990, while the 18" x 24" fits most other models. It is made with a single piece of sturdy, ¼" (6mm) clear acrylic, extended support surface.*
- *All exposed edges are fully routed, resulting in minimal drag. The smooth rounded edges protect your project.*
- *The ruler markings along the front edge includes both inches and metric reference points.*
- *All support feet are adjustable to provide a perfectly level work surface.*
- *The 18" x 24" Add-a-Table is also available with an opening that accommodates the Bernina Stitch Regulator. A connection cable is included. For installation instructions visit our YouTube video at https://www.youtube.com/watch?v=uHjqgq8RtFY*

Add-a-Table	
*18" x 24"	**$102.90**
*18" x 24" with stitch regulator opening	**$169.00**
18" x 30" for Bernina B990 model	**$197.00**

*Add-a-Table is machine and model number specific. When ordering, specify the make, model, and manufacturer of your machine.

18" X 24" WITH BERNINA STITCH REGULATOR OPENING
